## ACE THE SUMMER SUIT LOOK WITH STYLING TIPS FROM 4 FASHION EDITORS

JUNE 16, 2016 BY AFFINITY TEAM

Nowadays, suits and structured separates like blazers and trousers go way beyond the office. The options are seemingly endless – just take a look at our [Summer Suit Shop](#), which features everything from linen culottes and floral cropped trousers to high-low blazers and longline vests. No matter what your taste may be, there really is something for everyone.

To get some styling inspiration, we asked four of our favorite fashion editors which suit they'll be rocking this summer and how they plan to style it. Their tips on how to pull off a suit with sandals, nailing the right proportions, and finding the perfect necklace to pair with a blazer, below!

### MEGAN PORTORREAL, EDITOR IN CHIEF - CLICHÉ MAGAZINE

"When I have to wear a suit in the summer, I always opt for the pencil skirt and matching blazer combo. This olive side zipper pencil skirt from Express makes more of a statement than a traditional pencil skirt, and a white polka-dot sleeveless blouse is super feminine and will keep you cool. Add a matching olive blazer, a block heel sandal, a delicate long necklace, and you're set!"

EXPRESS Pencil Skirt \$60, EQUIPMENT Top \$102, SOLE SOCIETY Sandals \$80, GORIANA Necklace \$75
